

Ethics

This training will dive into understanding and exploring ethics and all of its grey areas. We will discuss how to think about and make ethical decisions when faced with ethical dilemmas. We will explore different codes of ethics and be able to walk away with an understanding of the different codes and what the different sections mean. We will discuss boundaries and different boundary challenges that we are faced with. Finally, we will plan on active discussions and plenty of interaction in order to develop the skills of problem solving and walking through boundary challenges and ethical decisions.
